

EXPLORER BINOCULARS CRAFT

you'll need

1. A paper towel roll cut in half, or two toilet paper rolls
2. Clear tape
3. Scissors
4. String or ribbon, about 30 inches
5. Decorations (stickers, crayons, paper cutouts below)
6. Glue stick

instructions

1. First, decorate the two rolls. Make sure you keep the openings clear to look through.
2. Place the two rolls side by side. Tape together where they meet at the top and at the bottom.
3. Have an adult carefully cut a small hole into the top side of the two rolls.
4. Thread the ribbon or string through each hole and knot it to make a necklace.
