

## EXPLORER HAT CRAFT *instructions*

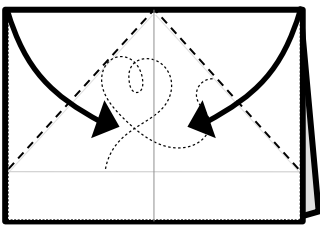

1. Cut along the dotted lines. This is to make sure the hat folds properly.

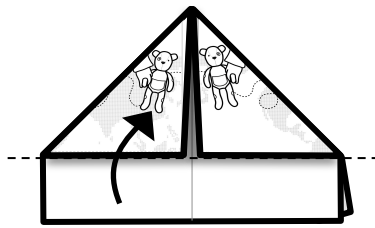

2. Fold the sheet in half (fold the top of the sheet under so that you only see the heart design.)

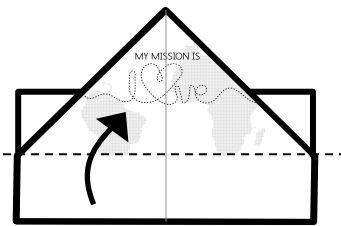

3. Fold in half to make a crease down the center.  
3.5 Open back up to see the heart.

4. Fold the top corners in towards the center.

5. Below the triangles, fold up the first layer of the bottom strip.

6. Turn the piece over. Fold the remaining bottom strip upwards.

Pull out the crayons and make it your own.

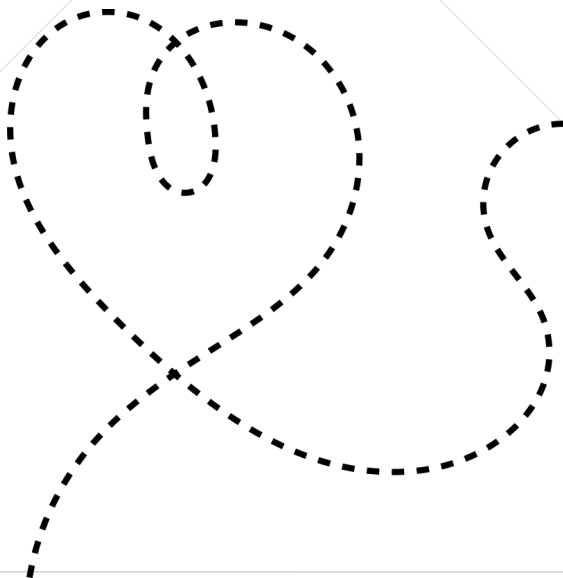

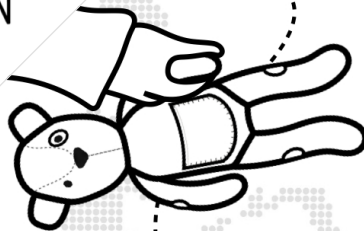

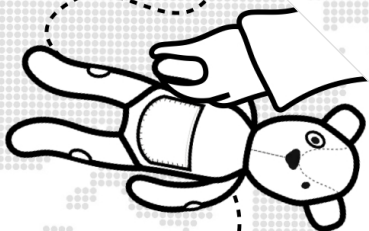

Fluff open the hat, then place it upon your Thready's head.
